EDUCATION

University of Maryland,
Baltimore County

B.A. Visual Arts
– Graphic Design

August 2006 to May 2010

EXPERIENCE

Web Development Immersive, General Assembly

May 2018 to Aug 2018 // Boston, MA

12-week, 500-hr development course, learning technologies to develop, test, and deploy full stack web applications using industry best-practices.

Umbrella Today? *// JRuby on Rails, JavaScript, jQuery, Handlebars*
 – Retrieves lat/long coordinates using forward geocoding API
 – Checks location forecast using DarkSky's API

TravelBox *// Ruby on Rails, JavaScript, jQuery, Handlebars*
 – Full stack project with a Ruby on Rails back end
 – Users can save and display itinerary data in visual card format

DuckCloud *// MongoDB, Express, Node, JavaScript*
 – Team project with three developers working on features
 – Full stack project for file upload and storage

Designer, Jackrabbit Design

April 2013 to May 2018 // Milton, MA

Designed for print and web at a full-service design agency, working with project managers, developers, and art/creative directors.

 – Comfortable in a fast-paced environment and being flexible to changing client needs
 – Co-lead and planned quarterly internal designer meetings
 – Onboarded and reviewed junior designers
 – Created and maintained documentation for design processes
 – Industries: healthcare, finance, education, retail, non-profit

Designer, Ictus Initiative

August 2010 to August 2012 // Boston, MA

Designed and project-managed multiple on-going projects, working with staff, clients, and vendors. Created book layouts for digital and print, website designs, and marketing materials.
